In addition to scholarships, ACES is proud of our record of community service, contributing free services to various community events and non-profit organizations throughout the county including the Amador County Fair, Dandelion Days, Lone Homecoming, schools, and more.

### Are You ACES Longest Standing Customer?

Have you been an ACES customer for a loooooong time? ACES' CEO Paul Molinelli, Sr., is looking for the customer who has been with ACES the longest (there will be a prize awarded!). Here's a hint: ACES Waste began with service in Upcountry county areas in 1976. Call or email 209-274-2237 or info@aceswaste.com with your earliest record of service (ACES records only go back to 1991).

### RESERVE YOUR BEAR-PROOF CART NOW !

ACES customers are finding that our Bear-Resistant Carts are very effective in keeping wildlife out of their trash. Discouraging bears from scavenging on your property is safer for you and for the bears!

96-gallon bear-resistant carts are available now for a monthly rental fee of \$5.06/month with a \$50.00 deposit, first come, first served.

Please call the ACES office, 209-274-2237 for more information.

### YVETE JONES

If you've been an ACES customer for any length of time, you've probably spoken with Yvete Jones. Yvete has been working at the Buena Vista office for 33 years -- longer than ACES has been at that location! She worked at two former companies that operated the landfill/transfer station before ACES bought the facility 13 years ago.

She has worked as a customer service representative for ACES' residential service, commercial service, debris boxes -- you name it! Her goal with any customer: "I like helping our customers, knowing that I can leave them with a smile on their face."

Yvete and her husband live in Sutter Creek. They have two grown sons and four grandchildren. Yvete is "crafty" -- she likes to create handmade cards and crochet.

"ACES is an awesome company to work for," says Yvete. Thanks, Yvete -- you're awesome, too!
